Deposit Licence information

Unless otherwise stated, items in Cadair are currently accessible under a CC BY-NC-ND licence. Aberystwyth University, however, does encourage its staff to use licences that allow a wider range of re-use and re-purposing, especially for RCUK and Wellcome Trust funded authors, where agreements with publishers allow.

If you need a different licence (for further information please see <http://creativecommons.org/licenses/>) you will need to accept the general depositor licence when attaching a document in Aberystwyth University's current research information system PURE and then upload a PDF template of your chosen licence to the PURE record alongside your output. Please contact openaccess@aber.ac.uk with any queries.
